

ADVANCE QUESTIONS TO ICELAND – ADD.2

SWEDEN

- Sweden would like to ask the Government of Iceland to elaborate on the further measures taken to address the overcrowding in the prisons. What is being done to ensure the separation of male, female and juvenile prisoners as well as the separation of untried prisoners from convicted prisoners?
- Sweden would like to ask the Government of Iceland to elaborate on the impact of domestic violence on decisions concerning custody and visitation. Does it consider that changes of law are necessary to guarantee the children's adequate protection against violence?
- Sweden would like to ask the Government of Iceland about what actions it is taking to ensure that the religious freedom is respected in the schools and that no child is subject to coercive religious practice?
