

ADVANCE QUESTIONS TO ICELAND – ADD.3

SLOVENIA

- How does the Government intend to improve its data collection on the use and effectiveness of restraining orders, especially with regard to domestic and sexual violence, and how do you plan to raise the awareness of the judiciary and the police about the use of such orders?
- What are the intentions of the Government of Iceland for further strengthening the provision of human rights education in schools, including its inclusion in the school curricula and the training of teachers?
- How does the Government intend to diminish the high drop-out rate of immigrant children, particularly in secondary education?
