

## **ADVANCE QUESTIONS TO POLAND**

### **SLOVENIA**

- We would appreciate it, if Poland could elaborate upon how members of the police received their human rights trainings and what the actual effects of the trainings on the ground were.
- What are the concrete results of the programmes that the Polish Government implemented in order to encourage participation of women in the labor market?
- What has the Polish Government done to tackle unsafe, clandestine abortions?

### **SWEDEN**

- As of August 2010 there is an unequivocal legal prohibition in Poland of corporal punishment of children. What measures is the government of Poland taking to ensure that the current legal protection of children is recognized and commonly known?
- The Family Planning Act of 1993 permits termination of pregnancy in three rather rare circumstances. Critics claim that the legislation doesn't provide women with the right to health and equal access to health as guaranteed in the Polish Constitution (Article 68). How does the Government of Poland act in order to guarantee that women are not hindered when wishing to terminate a pregnancy as stipulated by the law?

### **UNITED KINGDOM**

- Could you provide information on your Government's activities to promote equality and inclusion for members of the underprivileged groups including disabled and LGBT community in your society? What additional steps do you intend to introduce?
- With respect to the justice system in Poland, we would be grateful if you could explain what steps are being taken to counteract extensive pre-trial detentions and overcrowding of prisons
- Could you provide information on the measures taken to tackle domestic violence in Poland?
