

ADVANCE QUESTIONS TO ISRAEL—ADD 1

SLOVENIA

- CESCR, CEDAW and CERD recommended that Israel establish an independent national human rights institution in compliance with the Paris principles. Please explain what steps are being taken to establish such an institution?
- Please provide information on steps taken with regard to amending the Basic Laws and other legislation with a view of including the principle of non-discrimination, as recommended by HR Committee?
- What measures have been taken by Israel to ensure inclusive education of children with disabilities?
