

## ADVANCE QUESTIONS TO ISRAEL

### **MEXICO**

- What national laws have been modified to ensure the full implementation of the Convention on the Rights of Persons with Disabilities?
- How does the counter-terrorism legislation ensure that the treatment of security suspects complies with international standards, particularly with the International Covenant on Civil and Political Rights?
- What measures have been adopted to ensure the elimination of any distinction, exclusion or preferential treatment among groups of population in all the territories under State jurisdiction, particularly in the areas of access to justice, employment, education, health services, property rights, housing rights, family reunification, and freedom of expression, belief and religion?
