

ADVANCE QUESTIONS TO NICARAGUA – ADD. 3

SLOVENIA

- We would be interested to learn more about the implementation of the Comprehensive Law against Violence against Women (Law 779) in practice and to what extent it contributed to the prevention and reduction of the violence against women.
- With regard to sexual and reproductive health, we noted that abortion is outlawed under all circumstances, even for medical reasons or in case of rape. We would be interested to learn whether there are any discussions underway to decriminalize abortion for the above-mentioned reasons.
