

ADVANCE QUESTIONS TO ITALY – ADD.2

MEXICO

- Which are the difficulties that Italy faces to establish an Independent Institution on Human Rights in accordance with the Paris Principles? Could you indicate the approach you have made with European or international partners to work on those difficulties? Finally could you indicate your strategy to take into account the work, experience and activities developed by the NGOs (ONLUS) working in human rights?
- Which are the mechanisms to revise and monitor the request of residence permits (permesso di soggiorno)? How do you ensure that the applicants are informed of the approval or denial? Could you please indicate the time limit to provide this answer to the applicants? Have you established a mechanism to report any case of abuse of authority?
- Which are the steps Italy has taken to protect elderly people, specially those who do not afford to pay their basic needs such as food and rent?

SPAIN

- There is a reference in your National Report to a draft National Plan to fight against trafficking of human beings. Could you please confirm when will this National Plan be passed?/En el Informe Nacional de Italia se hace referencia a un proyecto de Plan Nacional para luchar contra la trata de seres humanos. ¿Podría Italia confirmar cuándo se aprobará este Plan?
