

## **ADVANCE QUESTIONS TO GRENADA – ADD.2**

### **SLOVENIA**

- We would be interested to learn more about the legislation and practical measures aimed at combating all forms of violence against women and girls.
- While the Criminal Code provides a certain degree of protection against sexual abuse and exploitation, we would be interested to learn whether it applies also to protection of boys against sexual abuse and exploitation and to what extent.
- We would be interested to learn about any possible discussions to decriminalize abortion.
