

ADVANCE QUESTIONS TO GUYANA – ADD.3

MEXICO

- How do you ensure that the judiciary is familiar with the Convention on the Elimination of All Forms of Discrimination against Women and its provisions? Could you share information on existing awareness campaigns to inform women from remote areas about available legal remedies against discrimination and violence?
- Could you share information on the current timeline for considering the draft juvenile justice bill? What mechanisms have been established to ensure that the draft is in full compliance with the international standards?
- What mechanisms have been created to strengthen the capacity and independence of the Police Complaints Authority to investigate allegations of extrajudicial killings and the use of excessive force by the police?
