

**PERMANENT MISSION OF MONTENEGRO TO THE UN, WTO, AND
OTHER INTERNATIONAL ORGANISATIONS IN GENEVA**

No. 473/UPR

The Permanent Mission of Montenegro to the United Nations Office and Other International Organizations in Geneva presents its compliments to the Office of the High Commissioner for Human Rights/Secretariat of the Human Rights Council and has the honour to enclose the Mid-Term Report on the implementation of the recommendations given to Montenegro during the Second Cycle of the Universal Periodic Report.

The Permanent Mission of Montenegro further informs that the Mid-term report provides overview of the progress achieved so far in the implementation of these recommendations, including 19 thematic areas. The report is a result of joint efforts made by state authorities (Government, judiciary and prosecution), the institution of the Protector of Human Rights and Freedoms, non-governmental organizations and the UN system in Montenegro (UNDP, UNICEF, UNHCR, WHO, IOM). Consultations with all interested subjects resulted in an objective report with clear guidelines for further action by competent authorities and other partners in order to completely realize the recommendations. The drafting of this report was preceded by a regular, semi-annual consulting of participants involved in the process on the achieved progress in the realization of the Plan for the implementation of the second UPR cycle's recommendations.

The Permanent Mission of Montenegro avails itself of this opportunity to renew to the Office of the High Commissioner for Human Rights/Secretariat of the Human Rights Council the assurances of its highest consideration. *AR*
