

### ADVANCE QUESTIONS TO AUSTRIA – ADD.3

#### **SPAIN**

- How does the Austrian government ensure that asylum-seekers in Austria are granted the proper legal advice, adequate housing as well as access to social welfare and health care?
- How specifically is the Austrian government training the public administrative authorities in order to curb xenophobic attitudes and racist acts?
- In the event of any alleged violation of human rights by the police, how are those responsible prosecuted and, if necessary, sanctioned?
- Is the Austrian law fighting against every form of discrimination, either religion-based discrimination, age-based discrimination or sexual orientation-based discrimination?
