

## **ADVANCE QUESTIONS TO SOUTH AFRICA (THIRD BATCH) – REV.1**

### **SPAIN**

- How does the South African Government intend to address the issue regarding low rates of reporting, prosecution and conviction in cases of violence against children and women, including sexual violence?
- Does South African consider raising public awareness against homophobia, transphobia and biphobia and discrimination based on sexual orientation and gender identity?
- What concrete actions can be taken in South Africa to prevent and eradicate all manifestations of racism and xenophobia and to improve the policing responses to violence against non-nationals?
