

## **ADVANCE QUESTIONS TO ISRAEL (THIRD BATCH)**

### **BRAZIL**

- How does your country envisage promoting synergies in implementing the UPR recommendations and the Sustainable Development Goals, under the 2030 Agenda, above all in light of goal 16, and the agenda's general aim to reduce all forms of violence and propose that governments and communities find lasting solutions to conflict and insecurity?
- Could you explain how Israel is addressing the issue of African immigrants, and the need to fully respect their rights to freedom and dignity, in line with international standards and with the principle of non-refoulement?
