

ADVANCE QUESTIONS TO GERMANY (FIRST BATCH)

URUGUAY

- Uruguay would like to be informed if any measure has been taken to address the situation of transsexual persons in the health care system structure (Ministry of Health) and if any reform has been made to ensure that transsexual persons receive proper treatment in the national health system.

SWEDEN

- What measures is the Federal Government of Germany taking to ensure that the rights of children with gender variations are guaranteed – particularly in cases where their parents decide to apply gender correction?
- How is the Federal Government of Germany planning to implement the recommendations of the Committee on the Rights of the Child (CRC) to cease recruiting minors to the military?
- What actions is the Federal Government of Germany undertaking in order to secure an increase of women's political participation in the highest parliamentary body (Bundestag), where the proportion of women is the lowest in 20 years.
