

List of Southern Cameroonians Killed by La Republique du Cameroun between 22<sup>nd</sup> September and 1<sup>st</sup> October, 2017.

Killed, Wounded, Abducted and Missing.

Below is a list of the atrocities committed by La Republique du Cameroon forces on Friday 22<sup>nd</sup> September, 28<sup>th</sup> September and October 1<sup>st</sup>. This list is not up to 3% of what has been done. Internet connection has badly impeded information coming in from Southern Cameroons. As I write, let it be known that in Bamenda, Mamfe, Buea most especially, dozens have been killed and corpses stolen away. I am saying so based on direct line calls I just received from denizens. There is a huge genocide and targeted killings, shooting currently taking place in Southern Cameroons. Please do well to forward this incomplete list wherever you can forward and send to us names of those killed, wounded, missing, abducted not found on this list so that we can update.
