

ADVANCE QUESTIONS TO CANADA (THIRD BATCH)

SPAIN

- What mechanisms does Canada consider would be most useful to ensure respect for human rights by its transnational corporations? Is the Government of Canada considering the adoption of a National Business and Human Rights Plan?
- We congratulate Canada on the progress made in the area of non-discrimination on the basis of gender and sexual identity, in particular for the introduction of the gender-neutral 'X' option on national passports. Do you have in mind other gender-neutral measures to be applied to the specific sectors of education, health care or work environment?
- How is the Government of Canada supporting the implementation of gender equality policies regarding, for instance, the training of legal practitioners, prison staff and security forces on the Convention on the Elimination of All Forms of Discrimination against Women and its Optional Protocol?
- Following the recommendations made by the Truth and Reconciliation Commission, could you elaborate further on the findings of the inquiry about the disappearance and murder of Indigenous women and girls?
