Periodic Review (Third Cycle)**

03 May 2021 - 14 May 2021

Parliamentarians for Global Action (PGA) is the largest non-governmental, cross-party, international network of individual legislators with approximately 1,150 members in 135 parliaments worldwide. PGA mobilizes parliamentarians as champions committed to promoting the rule of law, democracy, human security, inclusion, and gender equality. By using a peer-to-peer methodology and country-specific strategies, PGA educates, sensitizes, and builds the technical capacity of parliamentarians to take concrete initiatives and legislative actions to achieve results on PGA's campaign objectives. PGA supports individual parliamentarians in their national contexts and parliaments and then leverages that capacity with international networking to support democracy, human rights, and peace. The organization's vision is to contribute to creating a rules-based international order for a more equitable, safe, and democratic world. PGA is in general consultative status with the Economic and Social Council of the United Nations and fosters cooperation with The Hague-based International Organizations, including the International Criminal Court. The Secretariat of PGA is based in New York and The Hague.
