UPR Pre-session 21

(1 – 4 December 2014)

The pre-session for each State under Review (SuR) will last one hour. The National Human Rights Institutions (NHRIs) and Non-governmental Organizations (NGOs) will be given between 5 to 10 minutes according to the number of participants.

In order to coordinate NHRIs and NGOs during the pre-session, your statements should be made available two weeks in advance to UPR Info. Please note that the statement should be made in English. It is therefore very important to have an **excellent level** of spoken English.

It is important that NHRIs and NGOs focus on potential **questions and recommendations** for the review and not describe the work of their organisation/institution. Copies of key questions and recommendations can be distributed to Permanent Missions in the room.

Permanent Missions will have some time at the end to ask questions. All Permanent Missions will be invited, including the State under Review. Please note that these meetings are **public**.

Several pre-session meetings will be organised each day and it is therefore important for participants to be on time and respect the time allocated to speak.
